

THE GIFT OF LIFE

Each month, **Many Tears Animal Rescue** saves over 250 dogs. Many of these dogs are collected and transported from backyard breeders, licensed breeders and pounds, a process that costs us a shocking **£159,792** annually. Without this work, the future for these dogs would be grim.

Most of the dogs we rescue are those deemed “unsellable”, no longer able to produce puppies or simply just unwanted. They are the ones some breeders and the public discard, with little hope for survival. Many Tears was founded over 20 years ago with a mission to rescue ex-breeding dogs and those from pounds where they are doomed to be euthanised. Since then, we have saved thousands of dogs from such tragic circumstances.

At Many Tears, 72 paid and dedicated staff work tirelessly to provide a safe haven for rescued dogs, driven by their commitment to bettering their lives. With a full-time vet and an on-site veterinary surgery, we ensure each dog receives the care they need to begin their journey toward a brighter, happier future.

As a charity without government funding, we face impossible choices daily. Transporting dogs requires reliable vehicles, trained drivers, and covering expenses like fuel, wages, and ferry charges.

- The cost to collect 50 dogs from Southern Ireland: **£5,998**
- The cost to collect 50 dogs from Northern Ireland: **£1,320**

Without help, we may not be able to continue this vital, life-saving work.

Could You Be the Miracle These Dogs Need?

By sponsoring a trip to Northern or Southern Ireland, your generosity would directly save lives. We’d provide a list of the dogs you’ve helped rescue – a meaningful way to share your impact with your team, clients, or loved ones. We’d also proudly acknowledge your support on each dog’s profile, showcasing your role in giving them the gift of life.

How You Can Help:

- Sponsor a trip to save dozens of dogs.
- Host a fundraising event to engage your staff and customers.
- Encourage others in your network to contribute.

This is a heartfelt plea for your help. Together, we can make 2025 a year of hope and new beginnings for countless dogs in need.

Thank you for considering this urgent request.
